Callahan Community Center, 101 N Parramore Ave, Orlando, FL 32801

Lighting the Way: Climate Change Theater Action

Climate Change Theatre Action (CCTA) is a worldwide series of readings and performances of short climate change plays which was conceived to bring communities together and encourage them to take local and global action on climate. The Bohn Jeverly will be performing a one act play from the CCTA repertoire on Saturday. (Southeastern Yearly Meeting of the Religious Society of Friends-Quakers)
